

In Signal Corps

PVT. VINCE KUBACAK

One of many young men from Milam county who have volunteered for service in the United States army, Pvt. Vince Kubacak, has been promoted to the Signal Corps.

Pvt. Kubacak is the son of Mr. and Mrs. Joe Kubacak of the Marak community and volunteered for service on August 15, 1941.

Vince, known to many as "Jim," received his first training at Dodd Field in San Antonio. After completing his initial training at Dodd he was transferred to Camp Callan at San Diego, Calif., where he was assigned to the 57th Coast Artillery. From that point he was sent to Camp Haan and upon a successful completion of his course he was promoted to the signal corps.

Writing home to his parents, Pvt. Kubacak says that next to Texas he likes California which is an ideal place to live. He also says he enjoys army life very much and is well satisfied.

KHARKOV IS DECISIVE SCENE OF CONFLICT

The fate of Nazi Germany and also of Red Russia was hanging precariously in the balance Wednesday as the bloody and decisive battle of Kharkov continued.

The Russians were advancing slowly but the Germans seemed determined to stop the advance and two great armies were locked in a struggle for the industrially important center of the Donets region.

One report indicated that so many men were engaged in the battle that bombings were withheld. Mass infantry charges, hand to hand fighting, tank battles and artillery duels featured the fight said to exceed anything yet developed in the war on the Eastern Front.

If Germany loses the battle it will have a serious effect on the Nazis. On the other hand if Russia loses the battle it will have a grave influence on the future course of the war.

The fighting is said to be desperate on both sides.

BACCALAUREATE SERVICE HERE SUNDAY MAY 17

(From Saturday's Daily)

Baccalaureate services for the graduating class of 1942 at Yoe High School will be held Sunday night, May 17, at Yoe High Athletic Field.

Dr. Conway Wharton will deliver the address.

The program will begin with a march by the Yoe High School Band for the graduating class to march on the field.

Rev. Lamar Hecker of First Christian Church, will read the scriptures. The invocation will be said by Rev. C. E. Archer, Educational Director at First Baptist Church.

A community choir for the occasion will be directed by Mrs. Winnie Witliff. The benediction will be said by Rev. George Duda, Pastor of St. Monica's Catholic Church.

First Service Flag

The Citizens National Bank added further beauty to its display of flags in the banking room this morning by raising its service flag above the vault and underneath the clock. The flag has two stars, one for Alvin Nolte, now with the U. S. Signal Corps, Barksdale Field, Shreveport, Louisiana, and Hilliard S. Thomas, with the U. S. Army Finance Department and for the last six months stationed in Iceland.

REDUCTION IN GAS RATES IN CAMERON

A flat reduction of 10 cents per thousand cubic feet in local natural gas service rates for residential and commercial customers, effective with meter readings May 15, is announced by Community Natural Gas Company. This decrease was made possible when Lone Star Gas Company, the pipe line company, voluntarily agreed with the Federal Power Commission to reduce its rates by that amount. The overall saving throughout Lone Star Gas System will be approximately \$2,000,000 a year.

In announcing the reduction, Chester L. May, president of the Community Natural Gas Company, said the flat 10 cent decrease off present rate forms would stand for the present while the company is conferring with the Texas Railroad Commission on a new rate schedule most advantageous to consumers, particularly during the winter months.

Explaining the reasons for the large reduction, officials of the Lone Star Gas System stressed their desire to put all energies into the war effort and to dispense with extended litigation.

"During its 33 years of development, Lone Star Gas System has poured large amounts of capital into the company in order to insure dependable gas service," said D. A. Hulcy, Lone Star president. "The area served by the System has reached an all time high in industrial, commercial, and residential expansion, resulting in an increase in volume of gas normally used. Because of long preparation, we are prepared to meet the requirements of these large demands and now with our System built up, we are pleased that under present circumstances we are able to give our customers a substantial reduction and at the same time dispose of all rate controversies. It is our earnest hope that, as we all adjust ourselves to the war effort, sufficient new peacetime uses for gas service can be developed for the future to justify this low rate indefinitely."

Marak School Closes Successful Year

The school at Marak has closed a successful year and has noted considerable progress during the past nine months.

Sister George and Sister Stanislaw will leave next week for their home at Victoria and will return next fall to resume their work at the school.

They were Herald visitors Monday to express thanks for the paper mailed to them during the term.

On the closing day of the school which was May 12 a picnic was held. After the picnic folk dances were engaged in by the pupils and Miss Theresa Picha gave the music.

During the year hot lunches were given for the first time and this has made the school more pleasant for the children.

June 13 Last Day For Local Candidates To File For Ballot

June 13, is the last date on which candidates for county and precinct offices may file for the July ballot.

So far no candidates have filed, though newspapers have carried announcements for some time.

There is a noticeable indifference to politics this year due no doubt to war conditions.

John B. Henderson, county chairman, is a busy man these days. He is tire rationing chief and now has sugar in addition to his duties as Democrat Chairman.

Vogelsang First to Report USO Quota

Vogelsang was the first community in Milam county to subscribe its quota in the current USO drive, it was reported here Wednesday by Will Vogelsang.

It will be remembered also that the Vogelsang Community was the first community to subscribe its Emergency Red Cross quota. In keeping up with its first to report policy Vogelsang is in the vanguard of war work and the good people of that vicinity are an inspiration to other communities.

Mr. and Mrs. W. A. Bonds will attend the commencement of Waco High school to be held Thursday of next week, and will witness the graduation of Mrs. Bonds' niece, Miss Ruth Ann, daughter of Mr. and Mrs. Martin Ruby.

Sugar For Canning Can Be Bought Any Time During Year

Sugar for canning can be obtained at any time during the year.

Some confusion has resulted from early misunderstanding of the rationing program.

Each person is entitled to 5 pounds for canning or preserving. This sugar can be had at any time but only 5 pounds per year to each member of the family.

To obtain sugar for canning or preserving application must be made at the post office. One member of the family may bring rationing card for each member of the family and it is not necessary for each member of the family to go to the post office.

Registrations are still proceeding and the number has now reached around 40,000.

Senior Class Here Makes Contributions To the War Effort

The Senior Class of 1942 has an enviable record not only for the brilliance of its students but for the way it has served in these days of national emergency.

Miss Mary Jo Stedman, Valedictorian of the Class and First Honor Student, gave the Daily Herald an account of recent patriotic services.

The class has just made a contribution of \$17.58 to the Naval Relief Fund of which Dan Tyson is county chairman and H. M. Hefley is treasurer. In addition the class has purchased two \$25 war bonds and given \$9 to the Red Cross.

The community appreciates the high honors that have come to Mary Jo for her leadership and high scholastic attainments and salutes the class for its patriotic service.

Former Milam County Boy Among Americans Who Bombed Tokyo

Lieut Rodney Wilder of Taylor, one among 79 daring American airmen who bombed Tokyo under Brig. Gen. Doolittle, is a former Milam county boy.

Judge Jeff T. Kemp knew the boy when he lived in the southern part of the county and knows the family, since leaving moving to Taylor.

Among the men who were in the raiding crews were 14 Texans.

Bond Sales Decline Due to Bad Weather

Weather conditions may have been responsible for the drop in sales of War Bonds over the week.

The report just issued by Emory B. Camp discloses that \$10,050 was the total reported for the week. Cameron led with \$2400.

Total sales to date are \$242,293.75 and the balance to sell this year to reach the quota is \$687,255.25.

Mr. and Mrs. A. L. Peterson of Yoakum, spent the week end here with her parents, Mr. and Mrs. Henry Ruby, leaving Sunday for Cameron, Arizona, where they will spend the summer out at Flagstaff, for the benefit of Mr. Peterson's health.

Mrs. Dan Tyson is visiting in Grand Prairie with her son Sam Tyson who is a student in the Naval Air School. She will also be in Dallas visiting in the homes of Mr. and Mrs. Paul Ledbetter and Mr. and Mrs. Beal Sneed.

Navy Relief Society Quota Oversubscribed

According to Dan Tyson, City Secretary and Treasurer, and Chairman of the Navy Relief Society for Milam County the following contributions have been reported:

Cameron	\$381.85
Cameron two schools	9.57
Senior Class 1942 Yoe High School	17.00
Rockdale, Auspices American Legion and nearby towns	255.00
Branchville	32.25
Milano	14.00
Buckholts	55.15
Buckholts	2.00
Maysfield	31.50
Gause	3.28
Burlington	10.75
Ben Arnold	9.60
Total	\$821.95

The authorized quota was \$600 for Milam County. Mr. Tyson states that there are some committees yet to make reports.

The campaign for raising funds for the Relief of navy men was opened in Milam County several weeks ago when Attorney General Gerald C. Mann addressed a large delegation at the Rotary Club.

AGED NEGRO GETS LIFE FOR MURDER OF WIFE

Henry Roberson, 78 year old negro, was convicted by a jury in District Court here Monday for the murder of his aged blind wife, and his punishment fixed at life imprisonment.

Roberson confessed and entered a plea of guilt. He said that he killed his wife on the morning of December 7, 1941, as she lay in bed at their farm cabin near Jones Prairie.

Roberson said he killed his wife because he wanted the \$140 which the aged woman carried and which she had saved up from their pension checks.

He first stabbed his wife then beat her with an iron bar. Later the knife and iron bar were found in an ash heap under the house. After he had killed his wife he set fire to the house, but on second thought decided he had better save the house because his personal belongings were in the cabin. He went to a neighbor's house and gave the alarm. They returned and put out the fire. The neighbor asked Roberson about his wife and the old negro told him she was in her room. The horribly beaten body was discovered.

Sheriff Valter White with the assistance of Texas Rangers last week cracked the case and got a confession from the negro.

So far no trace has been found of the money which the negro said he buried in a pasture near the home.

When the case went to trial Monday morning Criminal District Attorney Ed Gunna was representing the state and introduced in evidence the confession. O. L. Kidd, Cameron Attorney, represented the aged negro.

Judge Gillis Will Speak At Commencement Exercises at Sharp

Judge Graham Gillis will deliver the graduating address at the Commencement Exercises at Sharp high school Friday night May 22.

T. F. Cloud, superintendent of schools, will deliver the diplomas to the graduates. Baccalaureate services were held Sunday night with Rev. James W. Askey of Rockdale delivering the sermon.

Members of the graduating class are: Clara Yarbrough and Doris Pearl Smith, tied for valedictorian; Doris Alexander, Jesse Ray Applin, Billie Brown, Aurelia Caffey, Sam McQueen, Kenneth Springer, Elbert Callaway, Natha Lee Callaway, Frances Fowler, Otto Galler, Evelyn Dejnisk, E. F. Walle, Jr., Roy Bill Green, Gordon Horton, Nonnie Lee Hook, Dorothy McDonald and Vivian Young.

Life Sentence For Aged Negro Quickly Meted Out by Jury

Reaching a quick verdict the jury in the case of Henry Roberson served only a few hours Monday when life in prison was given to the aged negro for the brutal murder of his aged blind wife.

The jury was as follows: Q. W. Joiner, foreman; Henry Woods, J. P. Horton, T. S. McCollum, Claude White M. S. Pugh, J. M. Burney, O. T. Gilbert, H. M. Wimberly, Erskin McDermott, Cecil Butler and W. L. Pierce.

Mr. and Mrs. A. J. Triggs of Calvert, and small son, visited his father W. H. Triggs and her parents, Mr. and Mrs. W. A. Bonds this week.

JOHN MARTIN

John Martin of Burlington is at Camp Polk, La., with an armored division. He volunteered for service, leaving a position he held in Corpus Christi. He is one of two brothers now in the armed forces of the country.

Pvt. Martin was born and reared at Burlington and is the son of Mr. and Mrs. E. B. Martin of Burlington. He has made rapid progress and is with a unit of the rapidly expanding mechanized army.

Ed Martin, another brother is in the service, having recently volunteered and is stationed at Palacios.

Pvt. Martin graduated from high school in Burlington and has been in the business world for some time.

Earl Browder Given Freedom by Roosevelt

Earl Browder, Secretary of the Communist Party in America, who was convicted of forging a passport, was given his freedom Saturday by President Roosevelt who commuted the sentence.

The President was represented as saying that it would "promote better understanding and feeling" in the country.

Browder was sentenced to a term in excess of those meted out in such cases, it was pointed out.

Browder is a Communist and as such was in league with the Nazi and headed a country wide espionage ring and obstructionist groups of anarchists who sought to overthrow the government.

MEXICAN IS SHOT TO DEATH HERE SUNDAY

Cenaro Villareal, 38, was shot to death around 5 a. m. Sunday in an alley near the Southern Pacific tracks adjacent to the crossing on Highway 36.

Gregoria Corbivia was arrested early Monday at his farm home and has been charged with murder.

Sheriff Valter White filed charges Monday against the Mexican whom he arrested on the H. L. Atkinson farm.

City Marshal Gene Smith and Deputy Marshal John Eanes were at the scene of the shooting shortly after the Mexican was slain. Mr. Smith said the Mexican was shot one time through the heart with a 32 automatic pistol.

Corbivia fled the city after the shooting. Sheriff White went to the Atkinson farm and waited at the home there for a long time. Returning early Monday he made the arrest.

Corbivia and Villareal were friends of long standing and at one time worked on the Watt farm together.

There was no statement from officers regarding the cause of the trouble. City Marshal Smith, however, said that Corbivia claimed the other Mexican was trying to take his money away.

Funeral services for Villareal were held here Monday morning with burial in the Catholic cemetery.

MORE CONFUSION

Selective Service Headquarters in Washington announced Saturday that inductees in the army beginning June 15th will be sent home for 14 days and will be considered in reserve for that period.

The inductees get their way paid back home and also when they return at the end of 14 days.

Miss Bena Wohlleb has accepted a position with the Harris County Abstract Company of Houston. Letters to friends in Cameron state she is delighted with her position. Miss Wohlleb was formerly with the Abstract Company of this city.

FRANCE REJECTS PLAN FOR MARTENIQUE BASE

Nazi France Saturday in a note to the United States government flatly rejected the proposal to lease or take over Martenique in the Caribbean.

It was regarded as a virtual ultimatum.

The United States government was represented as ignoring the Laval note and will deal directly with authorities on Martenique. Nothing was expected to come of it.

The United States will go ahead with any plan that may now be afoot to protect the Western hemisphere.

PLIGHT OF GERMANS IN KHARKOV SECTOR GRAVE

Russia's Red Army under General Timoshenko has crossed the Donet river and is storming Kharkov, industrially important city of the great basin, said a London report at noon.

At the same time a Red army was slashing its way to destroy 96,000 German soldiers trapped near Lenin-grad.

Although the Germans claim to have made successes in the Crimea they were in desperate plight all along the great front which today was

SHOWER FOR BRIDE TO BE

Miss Virginia Sappington, bride to be of Lawrence R. Holmes, of Calif., was honored with a linen shower Saturday evening, May 16th, by Mrs. John Jeter at her colonial home on East 13th Street.

The Jeter home was resplendent with an array of beautiful spring flowers throughout the reception rooms. Bridge and rummie furnished games for the early part of the evening, at which time Mrs. Alvin Nolte made high score for bridge and received a linen guest towel, which she presented to the honoree. Low in rummie went to Miss Mary Hamlett, who received a dainty handkerchief in file design. Honor guest received a lovely white top compact with cloisienne setting.

Individual squares of white cake embossed in wedding bells and individual ice cream squares and salted nuts were served from a table handsomely decorated with crystal and silver service with tall tapers shedding a rosy hue over the scene. The honoree received many handsome and useful gifts, from the 28 guests that called.

LIEUT. STACH MARRIED

Miss Cleo Boatwright, daughter of Mr. and Mrs. M. D. Boatwright of Sarasota, and Lieut. Paul J. Stach, son of Mrs. Steve Stach of 974 Eleventh street, Rosenberg, Texas, were married here Sunday afternoon.

The bride was born in Sarasota and attended the local schools.

Lieut. Stach, a native of Buckholts, attended high school in Cameron, and was graduated from the A & M college of Texas. He entered active duty at Camp Walters, as second lieutenant in the infantry. He received his "wings" at Ellington field, Houston, and is now stationed at the Sarasota Air base.

The couple will make their home in Sarasota for the present.

The great Ford plant was in production of bombing planes for the United States Army Saturday, it was officially announced in Washington. The Ford genius for mass output was regarded as certain to make 1942 a year to exceed all government estimates of production.

DAY BY DAY

**Things We
Want To Say**

The Czechoslovak National Council of America in its current small publication devoted to news flashes from Czechoslovakia under Nazi domination, is serving an enlightening purpose and will in time paint the picture as it is in this old area of European civilization. Here is a terrific answer to the absurd German superiority claim and a hitherto little known fact way of putting it.

BLOOD RELATIONSHIP BETWEEN THE CZECHS AND THE GERMANS

Regardless of the number of times the Nazis have failed to persuade the Czech people to become reconciled with the New Order, they continue in their efforts to convince them that only in close co-operation with the Germans can the Czech nation be saved. They devise new plans and offer new arguments in order to break the Czech stubbornness. Recently they have applied their beloved race theory in order to reconcile the Czechs with Hitler.

The Prague dailies, controlled and managed by the Nazis, reprinted, on February 8, a translation of an article which appeared in the Voelkischer Beobachter, and which asserts that the Czechs and Germans are, after all, close blood-relatives because in many Czech veins flows German blood as a result of the intermixture of both peoples in the course of thousands of years of habitation in the same Lebensraum. According to the Nazi mouthpiece this alone should be a suf-

ficient reason why the Czechs should start a real regeneration of their cultural and political life and accept the Nazi philosophy.

The real reason for the new Nazi educational campaign among the Czechs is that Hitler is in desperate need of human material both on the Eastern front and in the war industry. Because of this the Nazis have tried so hard to win as their friends the Czechs, who understand this reason, and who, therefore, recognize this campaign as a sign of German weakness rather than of genuine friendship.

Yet there is a grain of truth in what the Voelkischer Beobachter asserts about the blood relationship between the Czechs and the Germans, because a certain intermixture of both peoples living as neighbors for thousands of years has actually occurred. But the Nazi publication forgets to point out that many more Germans have Czech blood in their veins than vice versa. It is a fact that many Czechs were forcibly Germanized under the Austrian misrule which existed for three hundred years; the Czech names of many of the Sudeten Nazis testify to that. Even the leader of the Sudeten German Party in the pre-Munich Czechoslovakia, Konrad Henlein, had a Czech mother, named Dvorackova.

The Voelkischer Beobachter also failed to stress another and even more important argument for the blood relationship among the Czechs and the Germans. It is an undisputable historical fact that the Prussians racially and not Teutons but Slavs who had been Germanized since the time of Charlemagne. One half of Germany east of the River Elbe was inhabited by numerous Slavic tribes who were forcibly Germanized, among them being the Prussians. Of this large group of Slavic peoples, the nearest kin to the Czechoslovaks, only one negligible part remains today—namely, the forgotten minority of Lusatian Serbs (Wends) in Saxony and Prussia. These people of 200,000 souls was indeed, since Hitler's coming to power, ruthlessly persecuted, their leaders imprisoned, their newspapers suppressed, and the schools using the Serbian language abolished. To stress the blood relationship between the Prussians and the Czechs

would, of course, have exploded the whole racial theory of the Nazi. They would have to admit that one third of the German nation is of Slavic origin. For this reason the Voelkischer Beobachter wisely omitted this argument in expounding its theory about Blutverwandschaft between the Czechs and the Germans.

The lesson to be learned from this blood relationship existing between the Czechs and the Prussians is very important to the Western nations. Woe to them, if they consent to a negotiated peace which would leave forty millions of Czechoslovaks and Poles at the mercy of Hitler and permit them to be forcibly Germanized as the Prussians are today! feeling the power of Stalin's Red Army.

Kharkov is known as the Pittsburgh of the Donet Valley, a far flung industrial region of Soviet Russia. Here the Germans fought their way in the summer of 1941 only to bog down with winter and now face defeat. All eyes were turned in the direction of Russia as things got quiet on other fronts.

The Red Air force was pounding the Germans in the greatest assembly of air fighting men since Russia was attacked. The Red airmen are with American planes and have a decided advantage in the air.

Japanese troops were gradually forcing the Chinese back in China and momentarily approaching the border of India.

Both Houses have passed the bill providing for an increase in pay for our soldiers and sailors. The Senate bill fixed the pay of a private or apprentice seaman at \$42 per month (just exactly double what it is today.) The House raised this to \$50 per month. It is impossible at this time to know just what the Conference Committee will finally accept. It is, however, quite sure that there will be a very substantial increase in the pay of all enlisted men and a twenty-five dollars per month for Second Lieutenants and Ensigns. The bill does not provide for any increase in pay for the higher cases one year after the end of the war.

I think these pay increases are fully justified. I have never known why a man who was serving his country in military or naval service where he was not only subject to duty twenty-four hours per day, seven days in the week, and where he was constantly exposing his very life should not get as much as the man who worked short hours and in absolute security in an office or factory. I realize, of course that the soldier is furnished with "board and lodging" as well as clothes which the civilian employee must pay for himself. I realize that the American Army is the best fed and the best cared for in the world and that under this bill it will, with the exception of the Australian, be the best paid Army in the world. I felt the increase was justified and was happy to vote for it although I felt that it would have been wise to pay a part of the increase in war bonds.

It is expected that within a few days the Military Affairs Committee will bring out a bill to provide allotments for the dependents of men in the service. While the details may be changed, General Lewis B. Hershey, Chief of the Selective Service, has recommended that the Government allow \$20 per month to a wife and \$10 per month to each child. He proposed that the soldier or sailor be required to match the allotment for the wife. In this way the families of service men would have at least some income assured them. I think some such allotment should and will pass. The House has also passed a bill to increase the enrollment at West Point. At present, each Congressman is allowed to make nominations so as

to keep three Cadets in the Academy at all times. This means an average of 3-4 of a nomination per year as the course of study requires four years to complete. At the beginning of the war the Army had a large number of reserve officers, and it is not likely that the boys who enter West Point now will see any service in this war. It is, however, thought that the facilities of the Academy should be used to the utmost and that the additional boys could be cared for without enlarging the physical plant. The bill has not as yet passed the Senate, but if it does, it will mean that there will be a very short time for the selection of Cadets, as the new class must begin its studies by July 1st. Our District did not have a vacancy at West Point this year, and we have more than a hundred applications now on file. Many of these boys will not be able to qualify without an examination, but there are many who have all the necessary academic work. I presume that nominations will of necessity be confined to this group.

The Senate has finally passed the bill creating a Woman's Army Auxiliary Corps, and the President has named Mrs. W. P. Hobby of Houston as Director or Commanding officer. I did not vote for the creating of this Corps. I had hoped that it would not be necessary to induct women into our fighting forces, but if it is necessary, then women in uniform should enlist just as men do and be subject to all Army regulations. This bill does not make members of this Corps either civilians or members of the Army. I still doubt its practicability, but I am sure that the President could not have found a more capable Commander. Mrs. Hobby is a native of the 11th District. She was born at Killen and was reared in Temple. If it is possible to make this Corps function as it should, she will do it. The Corps will be open to voluntary enlistment within about three months. Its members will receive the same pay as soldiers and must be between 21 and 45 years of age.

More Leaflets, This Time From F. D. R.

Leaflets were the weapons in a fierce attack on un-occupied France Wednesday as President Roosevelt told the French people with British planes that all their territories would be restored to them after the war.

The United States does not hold any of the French possessions.

Winston Churchill says he is in favor of another vote of confidence. He is being assailed in the House of Commons for his failure to invade Europe. Australia is pleading for planes. Secretary Stephen T. Early at the White House warned the United Nations not to quarrel over supplies.

Australia will be lost and China will be lost if there is no concentration of armies to fight the Japs.

The Australian government was critical today of the United States for sending an expeditionary force to Ireland where there is no war.

SECOND FRONT

French patriots last night blew up a large section of an important French railway, said to be vital to the Germans if an invasion of the continent occurs.

Unrest was said to be flaring strongly in occupied France.

GERMANS THROW IN MANY UNTRAINED MEN

Nazi Germany may be defeated at Kharkov, dispatches indicated Tuesday as the Russians stormed ahead in one of the greatest mass battles of warfare.

According to Red Army reports the Germans are throwing young boys into the battle, unseasoned troops and the Rumanians are in the forefront while the better trained Germans are pushing up in protected positions.

Thousands of tanks are involved in the battle which is now definitely turning in favor of the Russians.

One dispatch said that 40,000 German soldiers are engaged in the battle. It was predicted that the Russians would capture Kharkov. The Germans were fighting desperately for the first time since the war began. They are on the defensive and that is something Hitler said would never happen.

Although the Germans said that Kerch had been taken bitter street fighting was still in progress there indicating the Russians are contesting every step of the way.

German losses around Kharkov and Kerch are said to be very heavy. German equipment has been sacri-

ficed also in these battles.

Meanwhile in London the Parliament began a two day debate of the war. The British are clamoring for an invasion. Especially are they clamoring since thousands of American soldiers have landed in Ireland, the latest great convoy there Monday with invasion trained men and equipment.

Situation is Grave In China; Japs Are Massing For Attack

China faces disaster or at least a grave crisis and help is being asked of the United States and Britain.

China will not get it. China will have to battle alone as has Soviet Russia for the United States nor Britain are able to go to the aid of China.

Aid to China could have been given three years ago but that was three years ago.

The Japs are massing great reinforcements in Burma and at one point 500 bombers and fighter crafts were noted.

China with an inexhaustible supply of man power has finally become weakened after 5 years of war with Japan.

H. C. Crouch of Sandy Ridge was a Cameron visitor Monday.

American Bombers Get 2 Jap Transports

Invasion of Australia may again be under way by the Japanese.

From the headquarters of General MacArthur came news Tuesday that American bombers had attacked and sunk two large Japanese transports north of Australia.

This report indicated that the Japs may have reformed and intend to

storm the Australian coast.

There have been indications for days that a powerful Japanese fleet was returning to the Coral Sea.

Andrew Locklin of Thorndale and Wm. Locklin of Freeport were visitors in Cameron Monday.

Clarence Hopkins of the Texas Prison system is in Cameron Saturday and will return to the system on Sunday.

A ROUND TRIP *Ticket* FOR HIM!

HE'S going without asking if it's a one-way, or a round trip; but you want him to have a Round Trip!

Your electric power companies are giving him every guarantee of a Round Trip that electric power can give him! They had the reserve power needed to step up the building of guns, bullets, ships, planes, tanks and other war materials. They added enough power in 1941 to light one-fourth of the nation's homes... and have still more on the way for the bigger, tougher jobs ahead.

Texas Power and Light and the other electric power companies have more power at work today throughout the nation than Japan, Germany and Italy all put together... and they're pledged to the job of keeping America powerful... of helping to guarantee all our boys a maximum chance of a Round Trip Ticket.

Concert at North Elm, April 8, 1892

Fifty years ago graduation exercises were held at North Elm School with an elaborate program.

Several weeks ago Luther Roberts brought a copy of this program to the Herald and it is being reproduced from the original. Any difficulties arising from the publication of this

program from the ladies should be taken up with Mr. Roberts who says he takes all responsibility. The men may not have any scruples about age.

The program was printed by the Herald 50 years ago. It is the property of Mrs. Lee McCollum who was the former Miss Lula Westbrook.

POPULATION UP?

According to registrations for sugar the population of Milam has increased around 5000. This is true or the 1940 census was a flop. Official figures give the county about 35,000 people. Already some 40,000 have registered for sugar.

CHRISTIAN SCIENCE SERVICES

"Soul and Body" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, May 24.

The Golden Text is: "Why art thou cast down, O my soul? and why art thou disquieted within me? hope thou in God: for I shall yet praise him, who is the health of my countenance, and my God" (Psalms 42:11.)

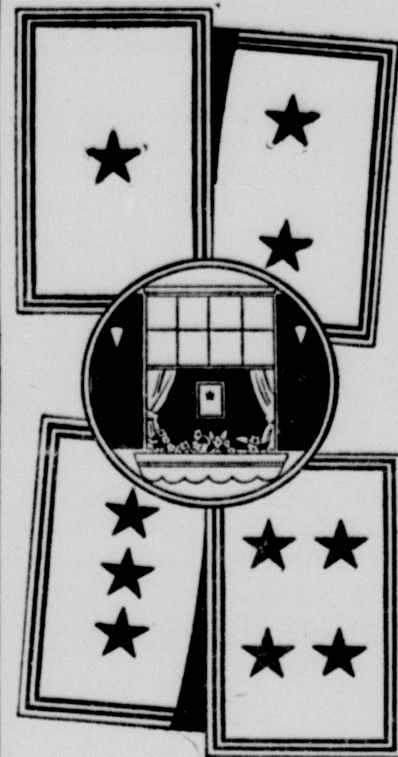

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "We are confident, I say, and willing rather to be absent from the body, and to be present with the Lord" (II Cor. 5:8.)

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "To be 'with the Lord' is to be in obedience to the law of God, to be absolutely governed by divine Love,—by Spirit, not by matter" (page 14.)

FREE SERVICE STAR CARDS FOR THE FAMILIES OF SERVICE MEN

This Service Star window card should be seen in every home in America that is represented by a father, husband, son or brother in the Armed Forces of the United States. It emphasizes America's pride in those who are serving our country in time of war.

BLUE, SILVER OR GOLD
 The Blue Star indicates service in the Army, Navy or Marine Corps within the boundaries of the United States.

The Silver Star denotes service outside the continental United States, either on the high seas, in the United States possessions, or on foreign soil.

The Gold Star is America's tribute to those who make the supreme sacrifice under the Stars and Stripes in time of war.

You are entitled to display the proper star for each member of your family serving in the Armed Forces of the United States of America. For example, if you are the parent of one boy in camp in the U.S.A., you are entitled to one Blue Star. If you have two sons in service—one in the U.S.A. and one outside the U.S.A.—you are entitled to a Service Star card bearing one Blue Star and one Silver Star.

GOVERNMENT APPEALS FOR SCRAP IRON

Our factories must have enormous quantities of scrap iron immediately, for manufacturing equipment for our armies.

One medium 27 ton tank requires 18 tons of scrap metal; one large aerial bomb requires 500 pounds of scrap metal, while one battleship requires 9000 tons of this scrap iron. This will give the public an idea of the tremendous quantities of scrap metal needed.

This scrap iron is needed NOW. Search your premises carefully and collect all iron, etc. If you live in Cameron, Rockdale, Thorndale or towns which have junk dealers, get in touch with dealers immediately and dispose of this metal.

Common collection points will be named for the rural sections. Buyers will call at these points on certain days and buy metal. Watch for future announcement of places named and days when buyers will call.

Please give this matter your immediate attention.

MILAM COUNTY SALVAGE COMMITTEE.

RODNEY POLLARD MARRIED

Rodney M. Pollard, a Cameron reared boy, was recently married to Miss Iris Hudson in Corpus Christi.

The wedding took place in First Christian church there on April 18, and they are making their home at 903 Kinney Avenue.

Mr. Pollard recently volunteered for service in the Marines and is now on duty at the naval base in Corpus Christi.

He was born and reared in Cameron, son of the late Mr. and Mrs. Charles Pollard. Friends here send congratulations.

LEAVING FOR NAVY

Hardin Pollard will leave Cameron Saturday for South Bend, Indiana, where he will report at the University of Notre Dame to the naval training school for officers.

Pollard was born and reared in Cameron and married Miss Helen Ryan. She will go to the home of her sister in Houston for the present. Mr. Pollard was in Class 3-A but has answered the call to duty.

Wartime Conceptions Won't Exempt Fathers From Draft

Chicago, May 13.—Fathers of children conceived after Dec. 7, will not be dependency draft deferment, Col. Paul G. Armstrong, Illinois selective service director, announced Wednesday.

The presidential appeal board, Col. Armstrong said, established a precedent by denying the appeal of an Illinois registrant from his 1-A classification. The registrant married after he had registered for selective service, and his wife became pregnant after the United States entered the war.

"No man," Col. Armstrong said, "will be allowed to hide behind any condition which he, himself has brought about for the purpose of evading military service."

Cadet Billy Bryan who is in the Air Corps at Corsicana was home over the week end.

Mrs. Ed Coston of Norfolk, Va., is visiting her parents, Mr. and Mrs. W. D. Favors.

NAVY RELIEF QUOTA IS OVERSUBSCRIBED HERE

Dan Tyson, director for Milam County, in the recent drive for funds for Navy Relief Society, announced Friday that the quota has been well exceeded here and released a telegram from Gerald C. Mann, Attorney General, Texas State Director of the Navy Relief drive,

May 13, 1942.

Dan Tyson, "Heartily congratulations to you and your workers in filling the Navy Relief Society quota for Milam county. I wish to commend the people of your county for their generous response to this appeal. Each one who has contributed in any way to the success of your drive has the Navy's deepest thanks as well as personal appreciation for a job well done. Best regards.

GERALD C. MANN,

Chairman Texas Citizens Committee Navy Relief Society.

Mr. Tyson said that the quota has been oversubscribed by a substantial sum and as soon as all committees make final report he will give the newspapers a detailed statement.

PRIZE ONIONS EXHIBITED BY E. DENKER WEDNESDAY

Five onions weighing 6 pounds were brought to the Herald plant Wednesday from the E. Denker station at the western edge of the city.

Mr. Denker has a large surplus of these onions for sale. They are the large white wax and very delicious, quite the best he has ever produced.

Oscar Storey was granted the privilege to move his beer counter from the City Cafe to the Kahler building on South College by the County Judge.

LITTLE RIVER FLOOD IS PREDICTED HERE

Although Little River was ten feet below flood stage at Cameron Tuesday it was believed the stream would overflow by Wednesday or Thursday.

Based on rain reports received by the Daily Herald up to noon Tuesday the river here was certain to go out of banks.

Temple had 3.43 inches of rain Monday night and Lampassas 1.03 but on Monday Taylor had almost 5 inches of rain and Holland had an estimated 10 to 15 inches of rain.

The Leon River at Belton was out of banks and the San Gabriel was overflowing into bottoms Monday.

Cameron had only .39 inches of rain Monday night and Taylor had the same amount. A heavy rain was reported at Killeen but no estimate was available.

Cameron Student Wins Honors For Poster On Fire Prevention

Kenneth Marak has won honorable mention for his poster on Fire Prevention submitted to the State Fire Insurance Commission.

The poster had for its theme the Dangers of Gasoline and was submitted in competition throughout the state. A blue ribbon of honorable mention was presented to Kenneth by Marvin Hall, State Fire Insurance Commissioner.

The contest was held under the direction of the Commission. Kenneth is the son of Mr. and Mrs. J. L. Marak of Cameron and a student in Yoe High School.

Scrap Iron Flow to Industry is Vital; Need Here is Urged

Shortage of scrap iron and steel was said here Tuesday to be vital to the war effort and unless the farms yield up their millions of tons of this metal some of the war industries may be shut down.

J. M. Howard of the Burkes-Howard Tractor Company was in Houston this week to attend a conference of representatives of the International Harvester Company.

Mr. Howard is serving as an aid to those who have scrap metal as his share of the war effort in this instance, and does not receive any commission whatsoever.

Scrap iron may be piled in convenient places on the farm and will be called for by dealers.

Edwardine Lovick and Monroe Smith Married Wednesday, May 20, in Temple; Popular Young Couple Will Live at Rincon Field Near Mission

Of interest to a wide circle of friends in Central Texas is the marriage of Miss Edwardine Lovick and Monroe Smith, well known Cameron couple. The wedding took place in Temple at the Presbyterian Church on Wednesday evening, May 20, at 5 o'clock with the Rev. Michael MarYosip, pastor, reading a beautiful ring service. Mr. and Mrs. W. H. Stafford were the only witnesses.

The bride was lovely in a smart tailored suit in white palm beach faille with a frilly blouse of white and accessories of navy blue. Her corsage was a white orchid.

The couple left immediately after the service for a trip to Dallas and Fort Worth and will also visit in the home of her sister, Mrs. George Peck, Jr., and family at Terrell before returning here.

Mrs. Smith is a daughter of Mr. and Mrs. Lovick of Temple, formerly of here. She was reared in Cameron and after completing High School here, accepted a position as cashier of the Community Natural Gas Company where she will continue to work for a few weeks to train her successor in the office. The bride is popular in local circles and will be greatly missed when she leaves here to join her husband at Rincon Field.

Mr. Smith, son of City Marshal and Mrs. Gene Smith, is also well known here where he has lived most of his life. He is a graduate of Yoe High and attended Edinburg Junior College and Southwestern University. He is employed by the Continental Oil Co., at Rincon Field near Mission where the couple will make their home.

No Parity Payments Under Present Prices Farmers Are Told

Milam County producers are hereby advised that there will not be any parity payment made in 1942, to any commodities in Texas except with respect to wheat.

Parity payment is not being made in connection with other commodities because the sum of the basic loan rate or the average farm price, which ever is the higher for the 1941 crop year, and the rate of payment under the 1942 Agricultural Conservation Program equals or exceeds the parity price for the 1941 crop year.

EDWARD H. ANDREWS HOUSTON BANKER DEAD

Edward H. Andrews, Houston banker, found shot to death in his home in Houston Friday, was a nephew of Mrs. J. M. Ralston of Cameron and was known to many here.

Mr. Andrews had visited here on a number of occasions.

According to the Houston Chronicle Andrews was wounded once in the chest and a revolver lay nearby.

Mr. Andrews was the son of the late Col. Frank Andrews, a leading Texas lawyer. He was a graduate of Yale and during the last world war served as an ensign in the navy and was naval aid to Col. E. M. House at the Paris Peace Conference.

FAREWELL TO ARCHERS

Wednesday night, May 20, a farewell entertainment was given at the First Baptist Church for Mr. and Mrs. C. E. Archer and daughter, Mary Leora, who are leaving soon to go the Field Street Baptist Church, Cleburne.

After prayer meeting all gathered in the banquet room of the Educational building for the reception. Bro. Archer led three songs and Ray Burke then took charge. A solo was rendered by Mrs. Bernard Collins.

M. G. Cox gave an address on what the Archers had meant to the church. Mrs. Earl Moseley gave a similar talk. Another solo was rendered by Mrs. Collins and then Rev. C. W. Sanders told what the Archers had meant to him in religious work.

Beautiful gifts were presented to Mr. and Mrs. Archer. While opening the gifts, the young people of the church served punch and cookies.

BUSINESS WOMEN

An interesting meeting of the Business & Professional Women's Club was held Tuesday evening at their club rooms with their new president, Mrs. Linda Perkins, presiding, with a good attendance.

At this meeting it was voted to buy Defense Bonds, and co-operate in the local defense work. This had been previously voted on but for some reason the club had not been able to secure the bonds heretofore.

Another hostess luncheon was enjoyed in the dining room served in cafeteria style, each member having brought covered dish for the menu.

Mrs. Perkins and Miss Lilian Atkinson were elected to attend the annual State Convention to be held in Corpus Christi June 5, 6, and 7, as delegates from this club.

During the months of June, July and August, there will only be one regular meeting of the club, resuming the semi-monthly meetings the first Tuesday evening at their club first Tuesday in September.

MRS. SALLY SHURTLEFF

The funeral of Mrs. Sally Shurtleff, 83, was held in Rogers at 4:30 p. m. Wednesday. Burial was at the McCann cemetery. Mrs. Shurtleff was a pioneer citizen of Milam county, and lived in Milam county until about 6 months ago. She was the daughter of a former County Judge of Milam County. She is survived by one sister, Mrs. Mary Sharp of Davilla, 99 years old and probably the oldest citizen of Milam County.

Murrell Hyde of Gay Hill was a visitor in Cameron Wednesday.

APPROACHING MARRIAGE OF MISS VIRGINIA SAPPINGTON IS ANNOUNCED HERE THURS.

A beautiful party to honor Miss Virginia Sappington, had as hostesses Misses Leila Trice, Irene Hollis and Thelma Keese, given Thursday evening from 7 until 9 o'clock at the home of Mr. and Mrs. James Watson, 316 East 13th street. The occasion was to announce the approaching marriage of Miss Sappington to Lawrence R. Holmes of Austin, who is located in California as engineer for Lockheed Air Plane Company in that city.

Guests were met at the door by Miss Trice and Mrs. Watson and were given dainty corsages with attractive streamers that bore the announcement 'Virginia and Lawrence, May 24h.'

The home was beautifully decorated with spring flowers that lent beauty and fragrance to this already pretty home.

The honoree was attractively dressed in a late model of light blue crepe fashioned with draped bodice and flaring skirt, and wore a corsage of pink carnations. She left this week for California where she will be met by the bride groom to be, and they will go by plane to Las Vegas, Calif., where the ceremony will take place.

Many close friends wish for them a happy life. She has been a member of the Cameron school faculty for several years.

Miss Virginia Hosch of Sharp was a Cameron visitor Wednesday.

J. Vince Marak of Houston is in Cameron visiting with relatives. He is a brother of K. A. Marak at First National Bank; Joe Marak at the office of the tax collector and was reared here. He left Cameron several years ago for Houston and has been employed by the Houston Chronicle. His health has been poor but he is much improved now. Many old friends were glad to greet him.

Mr. and Mrs. O. A. Boeker of Ben Arnold visited her brother, H. C. Hearne and family last Sunday.

Mrs. Buck Bell of Clarkson was a visitor in Cameron Wednesday.

Your Scrap Metal

Is Needed for VICTORY

A critical shortage of scrap metal now exists in the United States War Industry. Unless more scrap is forthcoming at once, war production will slow down and months, even years will be added to this fearful battle.

It is of the utmost importance that every pound of scrap metal on your farm start moving now towards America's steel mills and foundries to make more war material.

To help you get your scrap moving, this store will co-operate in every way possible. Canvass your farm from the attic to the farthest fence corner. Gather every bit of old metal into a conveniently located pile and drop a post card to this store telling us approximately how many pounds you have collected.

Your card will be turned over to a scrap dealer who prepares scrap for the mills. His truck will be routed past your farm to pick up your scrap soon and get it started toward the fighting front.

This store collects this information and passes it along as a patriotic service without commission or profit of any kind. Our work in this campaign and the cost of this advertising is our contribution to victory.

It is your patriotic duty to collect your scrap and notify this store at once.

Electric Power
is ON the "front line"

NOW, TODAY! . . . electric power is on the "front line" of America's war effort . . . driving the machinery of production in factories and shops throughout the nation . . . speeding the work of America's millions of workers . . . building fighting power for America's victory!

Your privately-operated power companies, supplying seven-eighths of America's electric power (more than is produced in Germany, Japan and Italy combined) are helping to build America's fighting power. They had electric power ready to start the nation's productive might "rolling" in high gear and they are providing the power to "keep it rolling" faster and faster. These companies have volunteered in this war to keep electric power on the production "front line" twenty-four hours a day, seven days a week.

In Texas, the Texas Power & Light Company is "all out" for Victory . . . supplying without delay the power requirements of war production in the area it serves, as well as the needs of its regular customers . . . and planning for the increased war needs of tomorrow!
